SUBJECT. Personal Security in the Sales of Toddy and Arrack Farms.

LAST REFERENCE. Letter No. 4394 dated 22nd April 95

from the Dy Coll in Jaffna 419

The Dewan is opposed to "personal security" and prefers "cash".-

2 The month's Kist is to be paid in advance, for that month, by the 20th. In default the Amildar sells the Farm by the end of the month, if he cannot get individual shop keepers to retain the shops without loss to Govt on the same terms. Vide Printed Sale Notices put up.

3 I would (Vide draft put up) make a division of Farms

(A) Arrack (a) Separate shops & shops at large towns & where the sales are high and brisk. For these Cash Security equal to two months' Kist will suffice. They are well to do and can afford to pay Cash.

(A) Arrack (b) For all out-lying petty shops, one months Cash & ~~two~~ one months personal Security pro tem will suffice. They are not in a position to pay a large "Cash Security" and interlopers with means will enter in and ruin Govt interests as they will pay the Vendors little or nothing and the latter will be up to all sorts of dodges to earn a living which the Farmers pittance cannot give them. or the Shops for want of either will to do "local men of interest will fake "bunger" —

(B) Toddy (c) Arrack Farms require men of means. They have Cash and Cash Security equal to 2 or 3 months Kist must be taken from them.

(5) Toddy (d) Vana Varma.

We want the adigas with to secure our proper revenue
us. One months khist and one months personal security will suffice. They cannot pay 3 months or even two months' khist in cash as security and also pay rent for the month in advance.

4 As suggested by the Diwan we may send the above to Deputy Comrs for their suggestions after being given a practical application in 1895-96 we can ask the Excise Comr to send up the same with the draft Notifications in March next with his opinion.

I beg humbly to state that no hard and fast rule can possibly be adopted in the case of Securities. Govt must make a distinction of the kind suggested in the office note Dy 25th April 95 or the Govt will be jeopardy you see our Clients are not paid in advance, even for the month so we only want Security to cover any probable loss on re-sale in case of default And no more

Yes. But a bond of £ as to value is very desirable. In the partnership case the Court might have a sum of £ for substantial Contradictions but the Court might have to enquire.

The complt having in his letter No 316/PE 12 dt 27.1.96 raised the question as to the admissibility or otherwise of accepting the Secondary of one farmer for another the Ext Commr was requested to report the existing practice in the Revenue Deptt with the opinion of the D.Cs together with that of his own

From the replies now received it appears that no Secondary of the Kind has ever been taken in the Depts of Kolar Tumkur, Mysore, Hassan Kadur while there has been only one case of the Kind in the Bangalore Dist for the past 5 years & that the only Depts which have admitted such Secondaries are Shimoga & Chitaldrug.

The Ext Commr & the D.Cs of 5 Depts (Bangalore, Mysore, Shimoga, Kadur & Chitaldrug) were in favour of accepting such Secondaries provided the farmer is possessed,

To—The Excise Commissioner in Mysore.
The Compiler, Mysore Gazette, with a revised copy of the Toddy Rules with Appendices A, B and C.

NOTIFICATION

No. 11813—R. F. 233-92.—Under Sections 20 and 55 of the Excise Act XXII of 1881, as extended to Mysore by Regulation III of 1885, the Government of His Highness the Maharaja make the following rules :—

PART I

SYSTEM OF FARMING THE EXCLUSIVE PRIVILEGE OF SELLING DATE TODDY, MODE OF SUPPLYING TODDY TO LICENSED VENDORS, AND THE GRANT OF LICENSES AND PASSES.

I. The exclusive privilege of selling Date Toddy for each year or any period that may be specially fixed by Government shall be disposed of by sale by public auction.

II. For the purpose of selling the exclusive privilege, the Vend farms shall be divided into the following classes :—

1. Where a grove or group of groves, and the shops which are usually supplied by it, are so situated, that the whole geographically is in one compact tract, the right of drawing toddy from such grove or group of groves and selling the same in such shops, shall be farmed separately; but when the number of shops supplied from a grove or group of groves is more than six, the grove or group of groves shall, with due regard to all local circumstances, be so divided that each division may fully supply the number of shops to be attached to it. The shops supplied as above, and the grove or group of groves so supplying them, shall together form the ordinary toddy farm which shall be designated "*direct supply (Aiyn) farm.*"

A. Direct supply farms (*Aiyn.*)

2. Where a grove or group of groves is capable of supplying, or has usually supplied, shops other than those attached to it under the "direct supply" system, the farmer of such grove or group of groves shall undertake to give at a price not exceeding the maximum rate specified in his agreement, the supply required for such other shops (which shall be enumerated in his agreement), in addition to supplying the particular shops attached directly to the grove or group of groves in question. Such a farm shall be called a "*direct and aiding* (*Aiyn Kumki*) farm." Endeavour shall be made to avoid, wherever possible, such a dual arrangement as the above, by dividing the grove or group of groves in question, in such a manner as to form out of it a "direct supply farm," and a "grove farm," and assigning the latter for the service of a convenient "*Shop farm.*"

B. Direct supply farms aiding other farms (*Aiyn Kumki.*)

3. Where a shop or shops situated in a compact tract depend for their supply upon groves situated at a distance (whether or not in the same Taluk or District), such shop or shops shall be farmed (without any groves attached to them) but upon the condition of the farmer buying his supply—

C. Shop Farm.

either (*a*) from specified "*direct and aiding* (*Aiyn Kumki*) farms,

or, (*b*) from a specified "*grove farm*" to be

hereafter defined, by paying such price as he may be able to arrange with the holder of the "*direct and aiding farm*" or the "*grove farm,*" subject however to the maximum price named in the agreement of the last named farm. A farm for shops only shall be called a "*shop farm.*" The holder of every "*shop farm*" shall, wherever possible, be given a "*Grove farm*" capable of supplying his shops, thereby making him independent of other farmers as far as possible.

4. Where groves exist which are not required to be included in any "*direct supply farm*" or "*direct and aiding farm,*" they shall be separately farmed, and such farms called "*grove farms.*" The toddy drawn under such farms shall not be sold to the public, but may be sold to any "*shop farm*" or used, in very exceptional cases, for the manufacture of jaggory and sugar under Government supervision. The number of persons holding "*grove farms*" without "*shop farms*" in which the produce can be used, shall be as small as possible.

D. Grove Farm.

5. Pending the settlement of Toddy Revenue due to Inamdars and Kayamguttadars, the right of those entitled to Toddy Revenue shall be farmed separately, and not mixed up with Government farms; such farms shall be called "*farms in alienated villages.*"

E. Farms in alienated villages.

III. The sales shall be conducted by the Deputy Commissioner or an Assistant Commissioner authorized by the Deputy Commissioner in that behalf.

IV. The results of sales shall be reported to the Excise Commissioner without delay.

V. The terms and conditions of sale and the grant of farms and issue of licenses shall be as follows:—

1. The exclusive privilege of selling date toddy in the aforesaid farms shall be put up to auction at upset prices, and knocked down to the approved highest bidder above those prices, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the

bid at discretion withoutassigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which entitles a bidder to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former contractor who has been guilty of an infringement of the terms of his contract or of the Excise Laws or Rules shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down. As a rule the results of the sales shall be confirmed except when it is believed that there has been combination among the bidders or when the character of the successful bidder is considered unsatisfactory or he is not believed to be solvent or fit to carry out the lease.

2. Parties intending to bid must attend either in person or by duly authorized agents, and no person shall be permitted to bid either on his own behalf or on account of any one else until he has deposited Rs. 50, or such other reasonable amount as may be fixed by the officer conducting the sale. The deposits made by the unsuccessful bidders, and not forfeited as hereinafter provided, will be returned at the close of the sale. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent in cash or Government securities. Provided that, if the Deputy Commissioner considers it advisable, he may permit a deposit in cash or Government securities equal to only two months' rent, or such deposit equal to one month's rent and personal security for three months' rent. If the successful bidder fails to produce the aforesaid securities, the deposits already made shall be forfeited, and the exclusive privilege shall be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

3. Resales effected under para 2 shall be at the risk of the defaulting bidder who shall forfeit all gain, and in the event of a loss by the resale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of Land Revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit shall be credited to Government.

4. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be resold at the risk and loss of the first purchaser as set forth in paras 2 and 3, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it shall be binding on his heirs or assigns.

5. A statement of shops in each farm, and the groves attached to each farm shall be shown to the intending bidders at the time of sale.

6. As soon as the agreement has been executed, the Deputy Commissioner shall issue a license in the appended Form A to the purchaser of each farm assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1.) The exclusvie privilege shall extend only to the sale of Date Toddy, and shall not include the sale of Bagani Toddy.

(2.) The amount for which the exclusive privilege has been purchased shall be payable by the licensee into the local Taluk Treasury on the prescribed printed chellans, furnished by the Government for the purpose, in equal monthly instalments commencing from the first month of the lease, together with the local cess of one anna on every rupee of such instalment. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent together with local cess thereon shall be payable on or before the 15th of the month following. The chellans shall be in triplicate in the appended Form C. The original shall accompany the Treasury "Daily Cash" account sent to the District Treasury, the duplicate forwarded by the Taluk Treasury Officer to the Deputy Commissioner's Office, and the triplicate retained with the licensee.

(3.) The deposit made by the licensee shall be taken in payment of the instalments due in the last months of the period of the farm. Failing payment of each monthly instalment by the 15th of the next month, together with local cess, the Deputy Commissioner shall recover the same from the licensee or his surety, under the rules in force for the recovery of Land Revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(4.) The toddy shall be sold to the public at the rates from time to time prescribed by Government.

(5.) The toddy shall be sold pure as drawn from trees and shall not be adulterated or diluted in any manner in the farm depôts, if any, or in shops.

(6.) The licensee shall keep true accounts of the quantity of toddy received and issued to shop-keepers. The passes issued with the toddy transported shall be subject to examination and check by the Officers authorized on this behalf.

(7.) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(8.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(9.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of

selling toddy, nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Toddy farm in any adjacent Districts of the Madras or Bombay Presidency or in any other adjacent Foreign State or Territory.

(10.) The licensee shall be bound by the provisions of the Excise Laws and Rules in force, or by any additional rules which may from time to time be prescribed under the Excise Laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with Permit books for the transport of Toddy, which books may be purchased from local Excise Officers.

(11.) The lease shall not be transferable except with the permission of the Excise Commissioner.

(12.) The Deputy Commissioner shall grant to each shop under the farmers a license in the appended Form B.

(13.) The licensees of shop farms in the taluks bordering on British Territory, may import and export toddy from and to the Districts of Bellary, Anantapur, Cuddapah, North Arcot, Salem and Coimbatore in the Madras Presidency, subject to para 4 of Rule 170 in Chapter XI of the Standing Orders of the Madras Board of Revenue.

7. In case of any breach of the aforesaid conditions, or of the license, either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee of each vend farm a fine not exceeding the sum of Rs. 50, for every such breach, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and resell the exclusive privilege at the risk of the licensee, or to place the farm under the management of Government. When a lease is cancelled, the rent for the whole period of the lease shall become due at once; and all loss caused to Government by the cancelment or resale of the lease, shall be made good by the licensee or his surety in the manner specified for resales under para 3 of Rule V above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were arrears of Land Revenue.

8. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise Laws or other enactments or rules for the time being in force.

VI. Of the amounts paid by the licensee into the Taluk Treasury as per chellans C, under clause (2) of Para 6 of Rule V, the rent shall be credited at once to the appropriate budget head "Excise Revenue," and the local cess to the head "Local Cess on Excise Revenue." The District Treasury Officers shall furnish to the Excise Commissioner monthly statements of realizations on account of Toddy rent and local cess thereon, under separate headings by dates in the form prescribed by the Comptroller.

VII. On receipt of the duplicate chellans referred to in clause (2) of Para 6 of Rule V, at the District Office, they shall be compared and verified with the figures in the monthly Abkari Revenue Statements No. 6 and 6A received from the Amildars.

The Statements No. 6 and 6A compiled for the whole District shall then be forwarded to the Excise Commissioner's Office, where they shall be compared and verified with the Treasury monthly statements. The Excise Commissioner shall thereupon prepare Statements No. 6 and 6A for the whole Province and send them to the Dewan's Office after obtaining the Comptroller's certificate of credits.

PART II.

(2) If the deposit made by the licensee be in cash, it will be taken in payment of the instalments due in the last months of the period of the lease. If the deposit is in Government Promissory Notes, which he wishes to retain, they will be returned to him on payment of the whole of the rental due by him, otherwise they will be sold, and the sale proceeds taken towards the payment of the instalments due in the last months of the period of the lease, any balance still due being recovered as if it were an arrear of Land Revenue. Failing payment by the 15th of each month, the Amildar will immediately issue notice of re-sale of the licensee's exclusive privilege not later than the 5th of the following month, and will re-sell it on the day fixed. In that case the deposit will be applied to cover any arrears which may be due, and the loss, if any, sustained by Government by such re-sale; and if it shall be more than sufficient to do so, the balance will be forfeited. If, however, the deposit should fall short of the arrears due and of the loss by the re-sale, such arrears and losses together with interest, shall be recovered by the attachment and sale of the property of the defaulter and of his sureties, if any, under the rules in force for the recovery of the arrears of Land Revenue.

(3) The re-sale referred to, will, however, be subject to formal confirmation by the Deputy Commissioner who shall be at liberty to accept or reject any bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid. The accepted bid will represent the amount which is to be paid for the remaining period of the lease for the exclusive privilege.

4) If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the lease, in which case he shall serve a notice on the licensee informing him of the nature of the arrangements made.

4. (1) (*a*) The licensee of a "direct supply farm" shall obtain the supply of toddy only from the grove or groves specially assigned to him.

(*b*) If the number of trees in the above farm be more than the requirements of the shops attached thereto, the licensee shall supply any other Government farmer at ghadas or seers per rupee according to the existing custom. The grove may, at the discretion of Govern-

ment, be sub-divided so as to allow the toddy to be drawn by the "direct supply and aiding (Aiyan Kumki) farm" or "shop farm," as the case may be.

(*c*) Should the "direct supply farm" be inadequate to supply the wants of the licensee, he may make his own arrangements with private land-holders for drawing toddy from trees on their lands, and to use such toddy for sale in the shops attached to his farm.

(*d*) No toddy shall be sold or used for the manufacture of jaggory, except in shops in such localities and on such conditions as may be prescribed.

(2) The licensee of a "direct supply and aiding farm", shall sell the toddy to another Government farmer at the usual rate prevailing in the locality, *viz.*, at ghadas or seers per rupee; or if so desired, Government shall divide the grove or groves so as to admit of the required supply of the shops attached to the said farm, or other class of farms, being obtained from the trees assigned therefor.

(3) The licensee of the "shop farm" shall obtain the supply of toddy from a "direct supply and aiding farm," by paying the usual rate of that farm, or from such portion of the said farm as may be assigned to him for this purpose by Government. If there be a "grove farm" available, he may get his supply from such farm in preference to the former. He may also obtain his supply from land-holders by making his own private arrangements with them.

(4) The licensee of the "shop farm" in the taluks bordering on British Territory, may import and export toddy from and to the Districts of Bellary, Anantapur, Cuddapah, North Arcot, Salem and Coimbatore in the Madras Presidency, subject to para 4 of Rule 170 in Chapter XI of the Standing Orders of the Madras Board of Revenue.

(5) The "grove farm" is an independent farm. The toddy drawn from the trees in it shall be utilized for the shop farm or any other farm which has no groves to supply itself with toddy; or it may be utilized by the manufacturer of jaggory, or by the farmer of shops in alienated villages which have no groves. If the "grove farm" has not trees sufficient to meet the demand of the shops, the licensee may make his own arrangements with landholders to purchase toddy from them and utilize the same for sale in the shops attached to his farm.

(6) The licensee of farms in alienated villages will be allowed to draw toddy only from trees in the groves assigned to him.

5. The lessee shall not interfere with the licensees for cutting date leaves for mat-making, rope-making, basket-making, or for agricultural or other purposes, when they make use of the trees assigned for such purposes, and not reserved for tapping.

6. (1) The licensee of farms in other than alienated villages shall not draw toddy from trees in such villages, nor shall he give toddy to shops situated in such villages, as the right of the holders of such villages entitled to Toddy Revenue will be farmed separately.

(2) Date groves or toddy shops in alienated villages shall be separately leased, and the amounts connected therewith shall be shown in the accounts under a distinct head. If there are no groves, but only shops in any alienated village, such shops shall constitute separate farms, and the licensee thereof shall be permitted to obtain his toddy from the "grove farm" or "direct supply and aiding farm" specified in his lease.

7. The licensee shall keep true and correct accounts showing:—

(1) the names and situation of date topes from which toddy is drawn,

(2) the number of trees tapped,

(3) the quantity of toddy drawn daily,

(4) the quantity of toddy sold daily, and

(5) the names of the shops to which toddy is supplied.

These accounts shall be kept in such forms as may be prescribed by the Excise Commissioner, and shall be open to inspection by the Amildar or any other Officer authorized by the Amildar, or any Excise Officer appointed by the Deputy Commissioner for this purpose, and a copy thereof shall be furnished by the licensee to the Deputy Commissioner or Amildar on requisition, in such form as may be prescribed by the Excise Commissioner.

8. Toddy shall be sold only in shops duly sanctioned and licensed by the Deputy Commissioner.

9. The Deputy Commissioner may, whenever he thinks fit, direct shops to be closed or permit transfers of shops from one place to another, or direct new shops to be opened with the previous sanction of the Excise Commissioner. A sufficient supply of toddy shall be maintained in all sanctioned shops.

10. Each shop-keeper shall place the license granted to him in a conspicuous place in the shop.

11. A sign-board shall be affixed in a conspicuous part of the front of each shop containing, in the vernacular, the name of the shop-keeper and the price of the toddy sold by him.

12. The shop-keepers shall prevent all drunkenness or disorder or gaming within their shops.

13. No shop shall be opened before sunrise.

14. Shops shall be closed by 9 o'clock P. M. unless the Deputy Commissioner, for special reasons, shall authorize the keeping open of particular shops to a later hour.

15. The shop-keepers shall not harbour robbers or thieves or riotous persons, but, on the contrary, shall give intimation to the nearest Magistrate or Police Officer as to any such persons who may resort to their shops.

16. The shop-keeper shall not receive any grain, jewels, goods, wearing apparel, or other article in barter or in pawn for toddy, but on the offer of any such, shall give information to the nearest Magistrate or Police Officer.

17. No shop-keeper shall sell to any person more than three measuring seers of toddy to be consumed in the shop. Unless he holds a Pass, the shop-keeper shall not allow any one to take out of his shop more than one imperial quart, with the exception of bakers who are permitted to purchase and remove the quantity of toddy specified in the Pass held by them.

18. Shop-keepers shall be bound to furnish such returns and information as may, from time to time, be required by the Deputy Commissioner.

19. The distillation of spirit from toddy is absolutely prohibited.

20. No ingredients noxious to health shall be put into the toddy either to increase its intoxicating power or for any other reason.

21. The toddy shall be sold to the public, pure as drawn from trees, and shall be undiluted and unadulterated, and the rates at which it shall be sold shall be as follows per seer of the capacity of one imperial quart, 24 of such seers being equal to one ghada :—

	Price per seer.	
	Maximum.	Mimmum.
In District Head Quarters... ...		
In Taluk Kasabas of the District ...		
In villages		

22. Shop-keepers shall use such measures as may, from time to time, be prescribed by Government.

23. The licensee shall have such measures tested and stamped at his own expense.

24. No toddy shall be sold or given to any European Non-Commissioned Officer or private soldier, or to any European or Eurasian Camp follower, or to any member of the families of any of the aforesaid persons, without the permission in writing, of the Commanding Officer, or of some person duly authorized by him in this behalf; nor to any sailor, nor to any sepoy, member of the Police Force, Excise Officer, or a servant of a Railway Company whilst on duty; nor to any European vagrant under escort of the Police; nor to any child under 12 years of age for consumption on the premises; nor shall any toddy be sold *on credit.*

25. The Deputy Commissioner may direct that all shops for the sale of toddy on, or adjacent to, the line of march, shall be closed, whilst a regiment or detachment of European or Native Soldiers is passing or encamped in the vicinity. Such soldiers may be supplied with toddy by such persons as the Government may select for the purpose, notwithstanding the licensee's exclusive privilege.

26. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee. The Government reserves the power to terminate the lease on public grounds, awarding a reasonable compensation to the licensee.

27. Except with the permission of the Excise Commissioner, the licensee shall not sell or sub-rent or transfer his farm or any portion of his farm.

28. Every person placed by the licensee in charge of shops shall, before entering upon his employment, execute the engagements prescribed by law. All engagements entered into by persons to be employed by the licensee on or after 18 , shall be deposited with the Deputy Commissioner within one month from that date, or of the date of executing the engagement.

29. If it comes to the licensee's knowledge that any person employed by him in the manufacture, carriage or sale of toddy, commits any breach of the Excise Laws or of the engagements entered into by him, it shall be the licensee's duty to report the matter to the Deputy Commissioner, and to comply with the directions of the Deputy Commissioner respecting the further employment of such person.

30. During the term of the license, the licensee shall not have any interest in the exclusive privilege of selling country spirits in any part of the farm to which the license relates, or permit any person having any interest in the exclusive privilege of selling country spirits in any part of the farm, to hold any share or interest in the licensee's exclusive privilege of selling toddy.

31. Interest shall be payable upon all moneys due by the licensee at the rate of six percentum per annum.

32. The licensee shall provide himself with printed forms of permits for transport and possession of toddy. Such permits shall be in the form prescribed by the Excise Commissioner, and shall be purchased from local Excise Officers.

33. The licensee shall pay the usual Mohatarfa tax on carts used for conveying toddy, but such carts shall not be impressed for Government work.

34. The licensee shall be responsible that his servants or agents are prevented from extracting toddy from young immature date trees the trunks of which are less than one yard in height from the ground to the springing of the branches, nor shall any leaves be cut and used by them except such as may have to be removed for the purpose of drawing toddy, nor shall any trees be tapped in so careless a manner as to lead to their destruction; and any breach of these rules shall render the licensee liable to the payment of a penalty of Rs. 50 for each offence.

35. The licensee shall employ only professional toddy-drawers for tapping the trees.

36. In case of any breach of the conditions of the license either by the licensee, or with his connivance or privity, by any person in his employment, it shall be

competent to the Deputy Commissioner to impose upon the licensee, a fine not exceeding the sum of Rs. 50 for every such breach of such conditions, or, at the option of the Deputy Commissioner, to declare the money or Government Promissory Notes deposited with him, forfeited, and to cancel the license and re-sell the exclusive privilege at his risk, or to place the farm under the management of Government, and all loss thereby caused shall be made good by him or his surety. It shall be lawful for the Deputy Commissioner to deduct the amount of all fines imposed under this clause, from any sums deposited by the licensee as security for the due performance of the conditions of the lease, or to realize the amount of such fines by the sale of any or all of the Government Promissory Notes deposited by him. Whenever a lease is cancelled, the rent for the whole period of the lease shall become due at once.

37. The imposition of a fine or the forfeiture of deposit, or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of any person for any offence which may be committed against the provisions of the Excise Act or any other law for the time being in force and relating to the Excise Revenue, or any other enactment under which the offence may be punishable.

38. If the licensee shall be convicted on prosecution before a Magistrate of any offence against the Excise Act, or other law for the time being in force and relating to the Excise Revenue, or any other enactment, it shall be lawful for the Deputy Commissioner to declare his license forfeited.

39. All sums payable by the licensee may be deducted from the amount of his deposit, or recovered by attachment and sale of the property of the licensee or his surety, under any law for the time being in force for the recovery of arrears of Land Revenue.

40. Any sums deducted by the Deputy Commissioner under the powers herein contained from the deposit made by the licensee for due performance of the lease, shall be replaced by him or his surety within 15 days from the receipt of a notice from the Deputy Commissioner informing him of such deductions having been made.

THE MYSORE GAZETTE.

EXTRAORDINARY

Published by Authority.

BANGALORE, MONDAY, DECEMBER 19, 1892.

Notification by the Govt. of His Highness the Maharaja of Mysore.

REVENUE.

NOTIFICATION.

No. 8372—*R. F.* 210-92, *dated the* 15*th December* 1892.

It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling date toddy in the various classes of farms specified in the subjoined schedule for fifteen months, namely, April, May and June 1893, and the twelve months of the official year beginning with 1st July 1893 and ending with 30th June 1894, willbe sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms singly, the officer conducting the sale, may revise the farms at discretion, clubbing together more than one farm or selling the farms by taluks.

2. The exclusive privilege above described will be put up to auction at the upset prices mentioned in the aforesaid schedule, and will be knocked down to the approved highest bidder above those prices, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale, may lower the upset price at discretion.

3. Parties intending to bid must attend either in person or by duly authorized agents, and no person will be permitted to bid either on his own behalf or on account of any one else until he has deposited Rs. 50 or such other reasonable amount as may be fixed by the officer conducting the sale. The deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned at the close of the sale. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposits already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale ; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement,

(2)

all deposits already made will be forfeited ; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement of existing shops in each farm and the groves attached to each farm, will be shown to the intending bidders at the time of sale.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1.) The exclusive privilege shall extend only to the sale of date toddy.

(2.) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from April 1893, together with the local cess of one anna on every rupee of such instalment ; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent together with local cess thereon shall be payable on the 15th of the month following.

(3.) The deposit of three months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent, shall, on any account whatever, be claimable by the licensee.

(4.) The toddy shall be sold to the public at the rates prescribed by Government.

(5.) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts if any.

(6.) The licensee shall keep true accounts of the quantity of toddy received and issued to shopkeepers. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.

(7.) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(8.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(9.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of selling toddy ; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect, in any toddy farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(10.) The licensee shall be bound by the provisions of the excise laws and rules in force or by any additional rules which may from time to time be prescribed under the excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with permit books for the transport of toddy, which books may be purchased from local Excise officers.

(11.) This lease shall not be transferable except with the permission of Government.

(12.) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government ; and all loss thereby caused should be made good by the licensee. When a lease is cancelled, the rent for the whole period of the lease shall become due at once. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the excise laws or other enactments or rules for the time being in force.

By Order,
T. ANANDA ROW,
Chief Secretary.

Vend Farmers as security

for fulfilment of their ob-

-ligations to Government.

Order thereon:- We

The object of taking security from Farmers is two-fold :-

(a) to cover arrears a-
-rising from default.

(b) to cover loss by resale.

2. By referring to the Notification sent under cover of Prog* as per margin, it will be seen that by anticipating payment of the Khist by the 20th of the month and disposing of the Farm to individual Shop-Keepers or by

{ No 15932/40 R.7210-92 } dt 29/3/95
{ Arrack Condition Clauses } ₹ 2

{ Toddy Condition Clauses } ₹
{ No 15922/30 R7210-92 } dt 29/3/92

by resale to others by the close of the month the question of arrears (a) is amply provided for.

3. As regards the second point (b), it is of primary importance that the security taken should be sufficient to provide against loss by resales under (a). This is a subject which requires careful consideration. There is no doubt it would in the opinion of Govt be very desirable to obtain a

a cash security equal to two or three months' rental as the acceptance of a "personal security to any extent is always to be deprecated.

4. The New System however, aims at eliminating the middleman and dealing directly with individual Edigar or Shop-Keeper with a view of securing the Maximum Revenue. These slapes on the other hand, are not able to give Cash Securities and if this

be

be insisted on, they will not only be discouraged but virtually sacrificed. We want these to come forward and take up the farms. It is further apprehended that combination among the local professional clapes has already commenced and as this will stifle competition it is not desirable it should be developed.

5. Under these circumstances, it would be desirable

desirable to divide Farms into two clases for both Toddy and Arrack and deal with each separately in the matter of Security as indicated below:-

I Toddy - (a) "Augadi Farms" to which supplies have to be conveyed long distances, and heavy expenses for stock, block and carriage ~~have to~~ be incurred and provided for - ~~Such Farms~~ need men of Capital and local experience. From such, it is opined, a cash security should be obtained as per para 3 above.

(b)

(b) In the 2nd case, it would be preferable to sell each shop separately and allot the required number of trees as needed therefor. These shops should be dis-posed of to the local Edigars, on the spot, by public auction. For the reasons given in para 4 above, we must try and get them to take up the shops in their vil-lages on cash or other good security at least for a year or two when Deputy Commrs. should re-port how the plan works.

6. Arrack. In the case of Arrack-Shops, the "Separate Shop-Keepers", Vend-Farmers in the Bangalore District, at other Dist^t Head Quarters Taluk Kasbas and other large towns and villages elsewhere, ~~they~~ should be dealt with under clause (a) para 5 above, as the consumption is heavy, the amounts involved are large, the men reside in towns and in favored localities and are men of means and in a position to give

Security

Security in cash.

7. In the case of small outlying farmers at other places the ~~lines~~ mode suggested in para(5) clause(b) "s should be followed.

8. In the meantime, Deputy Commrs should be consulted as to the best legal means available to deal with cases of personal security tendered and accepted so as to obviate the Farmer and his "s Sureties entailing loss upon Govt. by alienating

their

their property either before or after taking up the Farms and thus evading their obligations to Government. A report on this point and generally on the whole question above alluded to is requested when final orders will be passed.

But under Para 2 Condition V. of Notification No. 11813 R.F. 233-92, dated 14th January 1893, the Deputy Commissioner is vested with discretionary power to permit "a deposit in cash or Government Securities equal to only two months' rent on such deposit, equal to one months' rent and personal security for 3 months' rent."

Sir.

In submitting herewith copy of the marginally noted correspondence, I have the honor to state that in my letters Nos. 340 9/319, dated 9th February 1895, and 341 1/322, dated 11th idem, I deprecated any changes in the existing conditions in regard to Arrack Vend and Toddy Vend farms and Separate Arrack shops, and explained my reasons for preparing my draft Notifications for the sale of the above Farms and Separate shops agreeably to the Notifications approved and published by Government last year. I need hardly submit that the sale Notifications should conform in terms and conditions of the several leases in

conformity with the standing Rules framed and published by Government under the provisions of the Excise Act, and that if any modifications be found necessary after consulting the Deputy Commissioners, the Standing Rules should first be amended, and then the Sale Notifications should be prepared and published accordingly. The Standing Rules XXI. 5.(2) in Government Notification No. 495, dated 30th March 1892, and V. 6. (2) in Notification No. 1183/R.F.233-92, dated 14th January 1893, require that the rental of each Farm for each month should be paid on or before the 15th of the month following. But in the Sale Notifications Nos. 1593/R.F.210-92, 1594/R.F.210-92 and 1594A/R.F.210-92, dated 29th March 1895, it is laid down contrary to the aforesaid provisions, that each month's rental shall be payable on or before the 20th of the said month. I agree with the Deputy Commissioners, Mysore District, that, as the terms in the Sale Notifications clash with the provisions in the aforesaid Standing Rules of Government, it is likely to give room to complaints. I am further of opinion that it is calculated to produce legal and

technical

technical difficulties to proceed against the persons concerned when they fail to pay the rental of any month on or before the 20th of the same month. I also concur with the Deputy Commissioner, Chittagong District, that the condition which requires each month's rent to be paid on or before the 20th of the same month, would tend to discourage ryots being freely forthcoming, as some, if not all, intending purchasers would find it inconvenient to pay the whole before their collections for the month fully reach their hands. Under these circumstances, I beg to recommend that a supplemental Notification may be published to the effect that each month's rental may be paid on or before the 15th of the month following, agreeably to the Standing rules of Government. If Government do not approve of this measure, I shall submit on hearing from you, a draft Notification to modify all the inconsistent provisions in the Standing Rules.

With reference to the Notification of Government No 1593-1-F.210-95 dated 29th March 1895 re the Sale of Toddy vend farms for 1895-96 has the honor to state that the condition that each month's rent shall be payable on the 20th of the same month, seems so very stringent as to discourage bids being freely forthcoming at the Sale. The rule hitherto has been that each month's rent should be paid on or before the 15th of the following month thus enabling such payment being made from the collections of the month. The new rule requires payment in advance

i.e

i.e before the entire collections of the month could come into the hands of the farmer concerned. Considering that a deposit is invariably insisted upon, the necessity for requiring payment before the close of the month for which the Khist is due is not apparent

Sir,

I have the honor to report that in communicating to the Deputy Commissioners, copy of the Officiating Chief Secretary's docket No: 1791/R.2584, dated 20th instant, I have addressed them as follows:—

"Begs to point out that the altered "condition requiring the payment of each "month's rental on or before the 20th of the "same month, will cause no inconveni- "ence to the would-be arrack Vend "Farmers of the year 1895-96, since the "Security Deposit has been reduced from "three months' rental which the current "years Farmers have paid, to two months

Sir,

With reference to your official memo No: 4645-54/230, dated 6th instant, I have the honor to inform you that I agree with you in thinking that personal securities are indispensable in the case of Edigars or professional men.

2. When large cash deposits are required, the contractors have generally to raise the funds at great sacrifice and they cannot afford to pay full rents. Besides, ordinary men with limited property will be shut out though otherwise capable

of

of working the Contracts without serious risk of loss to Government.

3. At the toddy sales of the Hunsur Taluk, the bidders present were mostly Edigars, and expressed their inability to deposit cash securities, and I had to accept cash security for one month, the Amildar having reported that the men were respectable and that they paid their kists punctually.

4. I would therefore suggest that it is desirable to permit cash security for one months as hitherto, the monthly kists being paid before the 20th as per altered condition in the Government Notification, and request for early orders, if possible by wire, for my guidance at the remaining sales.

I have &c.

With reference to your memo &c. D4645-54 230'
dated 6th May 1895 asking for opinion
regarding the recovery of cash deposits
and acceptances of personal sureties from
the successful bidders of the Toddy Veud
Farms for 1895-96, I have the honor to
state that as the Veud Farmers have
to pay their monthly Khists on or before
the 20th of each month according to the
altered condition in the Sale Notification
instead of the payment of the monthly
Khists on the 15th of the following
month as hitherto fore the Amildars
have been instructed to recover
in cash 2 months' rents as security
deposits. I consider the enforcement
for payment of 3 months' rents
would tell hard on the Veud Farmers
as most of them are ordinary
men of limited means and they
will raise funds at great sacrifice.
If the two months' rents security
is considered insufficient I would
suggest that a personal security
for one month's Khist may also be
required of them. Anything more
than this would tend to keep
out small capitalists from bidding

Sir,

With reference to your O. M.
No. 4645-54/230 dated 6th instant
forwarding correspondence on the
subject of taking cash in preference
to personal Security from arrack
and Toddy Vend farmers, I have
the honor to state that cash security
no doubt in one respect is convenient
to the farmer, who if he could afford
to deposit cash will be saved
the trouble and expense of finding
personal Security. But with the
majority of professional men,
such as edigars and other small
farmers, this arrangement will
not find favor, such persons, who
farm a circle or two do not have
sufficient ready cash at their

command

Command, and generally a friend or a relative helps them by standing security. If cash security is insisted upon, all such farmers must vacate the field for a few rich who will, of course, try to secure their own terms whereby Government Revenue will be materially affected.

2. On the other hand the system of taking personal security is working satisfactorily from a long period. So long as the surety is solvent, there is not the slightest reason to suspect failure. Instances in which sureties have failed are not on record at any rate in this district. But cases have occurred in which cash depositers have absconded. I am therefore of opinion that the present system of taking personal security may be continued, as it is beneficial particularly for small farmers.

Excise Commissioners No. 4645-54/230 dated 6th instant communicating Chief Secretary's No. 19252/R 2762 dated 3-5-95 re taking personal securities from arrack and Toddy Vend Farmers.

With reference to the above, has the honor to state that the new rule insisting upon the deposit of ~~three~~ months ~~Toddy~~ rental in cash, will in a large majority of cases make it impossible for Cadigars and other professional men to take up the farms, upon which they have so long depended for their livelihood. This would open a door for middle men to come in and supercede the professional men. Except in a

few places, even such middle men would find it difficult to make the deposit in question. Not only is the hardship great, but the Government Revenue may also suffer by a strict enforcement of the new rule. The undersigned is therefore in favor of the continuance of the practice, which has hitherto been in existence. At any rate he is not for a change in so far as Edigars or other professional men are concerned.

Arrack Vend Farmers almost invariably pay cash deposits. Hence the undersigned does not think that the altered conditions of the Arrack Notification are likely to cause any material inconvenience.

II I think the Comptroller's contention is correct i.e. one farmer should not in principle stand security for another Farmer. There is every chance of Govt interests being protected by the security being taken from another Farmer. In such cases there are cases where one farmer stood security for another thus has proved inimical to Govt interests. We have the case of Pattasiya in Bangarpet standing for Venkatappa (both the farmers of Govt will be a loser) & the last case in Mysore Town where this has arisen I think will serve equally well.

III — Our Rules are silent on this point & I cannot trace any in the Madras Rules.

Sir,

I have the honor to bring to your notice that personal security of one Toddy Vend farmer for another farmer has been accepted by the Deputy Commissioner, Shemoga District for 1895-96. The Dy Commissioner explains that the course has been adopted as the men have been reported to be solvent and persons of respectability and that besides there was no rule forbidding such securities. The Excise Commissioner seems to uphold him in his opinion since he has simply forwarded the Dy Commissioner's explanation to this office without any remarks. I therefore request to be informed if such securities are admissible under clause 2 of rule V of Toddy Rules issued under Notification No. 11813 R.F. 233-92 dated 14th January 1893.

Instead of laying down any hard and fast rule, it would be better, in my judgment to dispose of each case on its own merits. Whether a Toddy Contractor should or should not be accepted as security for another should depend on the Farmer's solvency, regarding which, inevitable evidence should be obtained on the local inquiry.
